

Special floor jacks

SRWH 2001 F, SRWH 2000 LF, SRWH 3001 LF

- ▶ With extra-low pad profile for suspension-lowered vehicles
- ▶ LF models particularly well-suited for long frame parts due to extra-long design
- ▶ Easy lifting up to jacking point via foot pedal or hand lever

- ▶ Slow, safe lowering under load
- ▶ Large support pad with rubber mat protects the jacking point and vehicle
- ▶ Practical integrated tool tray with rubber mat
- ▶ With cast iron load-bearing and steering rollers

SRWH 2500 EF

- ▶ **Flat design:** Floor jacks specially designed for vehicles with lowered suspension and low-riding sports vehicles with a minimum clearance of just 85 mm

SRWH 3000 QL

- ▶ **QUICK LIFT function** with a single push of the pedal at the vehicle's jacking point

SRWH LF series

- ▶ **Integrated helper:** practical tool tray

SRWH LF series

- ▶ **Long design** very useful with long frames
